

## CERTIFICATE OF ANALYSIS

## MACADAMIA OIL

Representative COA | Updated: October 2026

## REPRESENTATIVE / INDICATIVE CERTIFICATE OF ANALYSIS

*This COA is representative of the supplied grade and is provided for technical evaluation. Commercial orders are supplied against the allocated production batch, with the corresponding batch-specific COA provided prior to shipment.*

## 1. PRODUCT IDENTIFICATION

|                   |                                                |
|-------------------|------------------------------------------------|
| Product Name      | Macadamia Oil                                  |
| INCI Name         | Macadamia Integrifolia Seed Oil                |
| Botanical Name    | Macadamia integrifolia / Macadamia tetraphylla |
| Plant Part        | Kernel                                         |
| Country of Origin | South Africa                                   |
| Grade             | Cold-pressed virgin cosmetic lipid oil         |

## 2. REPRESENTATIVE BATCH INFORMATION

|                      |                                         |
|----------------------|-----------------------------------------|
| Sample Description   | Macadamia Oil                           |
| Representative Batch | LCOA 00009/26   LFOW00010-26            |
| Production Date      | 1 May 2026 (packed date)                |
| Expiry Date          | 1 May 2028 (24-month stated shelf life) |
| Date of Issue        | 8 May 2026                              |

## 3. ANALYTICAL RESULTS

| Parameter        | Method | Result | Units     |
|------------------|--------|--------|-----------|
| Free Fatty Acids | LM108  | 0.61   | g/100 g   |
| Peroxide Value   | LM106  | < 0.11 | meq O2/kg |

## 4. STATUS &amp; TRACEABILITY

Organic status: Conventional (not certified organic). Batch traceability is maintained and batch-specific documentation is available with commercial supply.

## 5. IMPORTANT NOTE

The analytical values above relate to the representative batch identified in this document and should not be interpreted as guaranteed results for every future batch. Natural variation may occur between production batches. The batch-specific COA issued for the material allocated to an order governs that shipment.
